Intensive Care Unit Registered Nurse With 9 Years of Critical Care Experience

Highly skilled ICU RN with nearly a decade of experience managing critically ill patients in high-acuity settings. Proficient in mechanical ventilation, hemodynamic monitoring, and emergency interventions. Dedicated to improving patient outcomes through advanced critical care practices and interdisciplinary collaboration.

Education

- Bachelor of Science in Nursing (BSN)
Florida International University, Miami, FL | May 2014

Key Skills

- Ventilator management and airway support
- Hemodynamic monitoring and titration of vasopressors
- ACLS
- Sepsis and multi-organ failure management
- Critical care patient and family education
- Rapid response and code blue procedures

Professional Experience

Intensive Care Unit Registered Nurse

Jackson Memorial Hospital, Miami, FL | December 2018 - Present

- Provide continuous care for an average of 10 critically ill patients per shift in a Level 1 trauma center ICU
- Manage mechanical ventilation, arterial lines, and central venous catheters, stabilizing patients with acute respiratory distress syndrome (ARDS) and septic shock
- Respond to medical emergencies and lead resuscitation efforts, contributing to a 20% improvement in patient survival rates for code blue situations
- Mentor new ICU nurses, increasing unit proficiency and retention rates by 15%

Registered Nurse – Surgical ICU

Baptist Health South Florida, Miami, FL | October 2014 - December 2018

- Managed care for post-surgical ICU patients, including those recovering from cardiac bypass, organ transplants, and neurosurgery
- Assisted in bedside procedures such as bronchoscopy, tracheostomy placement, and continuous renal replacement therapy (CRRT)
- Led an initiative to improve early mobility protocols, reducing ventilator-associated pneumonia (VAP) cases by 25%
- Coordinated with multidisciplinary teams to develop individualized care plans, improving patient discharge readiness

Certifications

- Critical Care Registered Nurse (CCRN), American Association of Critical-Care Nurses | March 2016, renewed March 2022
- Advanced Cardiac Life Support (ACLS), American Heart Association | June 2014, renewed June 2022
- Basic Life Support (BLS), American Heart Association | May 2014, renewed May 2022
