## Emergency Room Registered Nurse With 9 Years of High-Acuity Trauma Experience

Dedicated emergency room RN with extensive experience in fast-paced, high-pressure environments. Skilled in triage assessment, advanced life support, and trauma care. Adept at quickly stabilizing patients, coordinating with interdisciplinary teams, and providing compassionate care to patients and families in crisis situations.

## PROFESSIONAL EXPERIENCE

### Emergency Room Registered Nurse

*Houston Methodist Hospital, Houston, TX | October 2018 - Present*

- Provide emergency care to an average of 50+ patients per shift, stabilizing critical injuries, heart attacks, strokes, and respiratory distress cases
- Perform rapid triage to prioritize patient care based on acuity, reducing wait times by 25%
- Administer life-saving interventions, including CPR, defibrillation, and advanced airway management, resulting in a 15% improvement in patient survival rates
- Collaborate with trauma surgeons and paramedics to ensure seamless coordination in high-acuity situations

### Registered Nurse – Emergency Department

*Memorial Hermann Hospital, Houston, TX | August 2014 - October 2018*

- Treated and stabilized an average of 40 patients per shift, including victims of motor vehicle accidents, gunshot wounds, and cardiac emergencies
- Assisted in the implementation of a new sepsis protocol, reducing mortality rates by 18%
- Educated patients and families on post-discharge care, leading to a 30% decrease in readmission rates for non-critical cases
- Trained new nurses on emergency response protocols, improving department efficiency and preparedness

## CERTIFICATIONS

**Advanced Cardiac Life Support (ACLS), American Heart Association | June 2014**

**Pediatric Advanced Life Support (PALS), American Heart Association | August 2014**

**Trauma Nursing Core Course (TNCC), Emergency Nurses Association | September 2015**
