Telemetry Registered Nurse With 7 Years of Experience in Cardiac Monitoring

Experienced telemetry RN with a strong background in continuous cardiac monitoring and acute care management. Skilled in identifying arrhythmias, responding to emergencies, and optimizing patient outcomes. Dedicated to delivering high-quality nursing care in telemetry and step-down units.

PROFESSIONAL EXPERIENCE

TELEMETRY REGISTERED NURSE – CARDIAC STEP-DOWN UNIT

Baylor University Medical Center, Dallas, TX | March 2019 - Present

- Monitor telemetry data for an average of 15 patients per shift, detecting early signs of arrhythmias and reducing adverse cardiac events by 20%
- Respond to rapid response and code blue events, assisting in defibrillation and medication administration to stabilize critical patients
- Educate patients on heart failure management, improving medication adherence and reducing readmission rates by 25%
- Collaborate with cardiologists and electrophysiologists to optimize individualized patient care plans

REGISTERED NURSE – TELEMETRY UNIT

Texas Health Presbyterian Hospital, Dallas, TX | October 2017 - March 2019

- Provided continuous cardiac monitoring for patients with myocardial infarctions, arrhythmias, and heart failure
- Administered IV antiarrhythmic medications and closely monitored patient responses, reducing complications by 15%
- Assisted in post-procedure care for patients recovering from cardiac catheterizations and pacemaker insertions
- Trained new nurses on telemetry monitoring best practices, improving accuracy in detecting arrhythmias

EDUCATION

BACHELOR OF SCIENCE IN NURSING (BSN)

University of Texas at Arlington, Arlington, TX | May 2017

KEY SKILLS

- ● ● ● ● Continuous cardiac monitoring and telemetry interpretation
- ● ● ● ● Arrhythmia recognition and emergency response
- ● ● ● ○ ACLS
- ● ● ● ○ IV therapy and medication administration
- ● ● ○ ○ Patient education on cardiovascular health
- ● ● ○ ○ Coordination with interdisciplinary cardiac care teams

CERTIFICATIONS

- Advanced Cardiac Life Support (ACLS), American Heart Association | July 2017
- Basic Life Support (BLS), American Heart Association | May 2017
