Denver, CO | (123) 456-7890 | brandy.turner@email.com

Skilled accountant with expertise in financial management and compliance

Senior accountant with 10 years of experience overseeing financial reporting, budget analysis, and regulatory compliance for corporations with revenues exceeding \$100 million. Skilled in improving accounting operations, implementing internal controls, and managing audits to ensure financial accuracy. Adept at collaborating with executive teams to support data-driven decision-making.

Professional Experience

Senior Accountant

Summit Financial Group, Denver, CO | July 2018 - Present

- Manage month-end and year-end close processes, ensuring timely and accurate reporting for a corporation with \$120 million in annual revenue
- Implement internal controls that reduced financial reporting errors by 30% and improved audit readiness
- Lead budget forecasting initiatives that identified cost-saving opportunities, reducing operational expenses by \$500,000 annually

Accountant

Rocky Mountain Manufacturing, Denver, CO | August 2014 - July 2018

- Prepared monthly financial statements, improving reporting accuracy and providing key insights for executive leadership
- Reconciled general ledger accounts and managed AP and receivable, ensuring compliance with GAAP
- Assisted in tax preparation and financial audits, reducing tax filing discrepancies by 20%
