email@example.com

Self-managed delivery contractor with diverse route experience

Independent delivery contractor with over five years of experience working for multiple platforms, including Amazon Flex and Roadie. Expert at balancing multiple delivery apps, stacking deliveries efficiently, and meeting customer deadlines with minimal oversight.

Professional Experience

Independent Contractor

Amazon Flex, Roadie, Instacart | Charlotte, NC

March 2020 - Present

- Complete 25–40 deliveries per day across different platforms, optimizing delivery clusters to reduce travel time by 22%
- Maintain 4.9-star average customer rating, often receiving bonuses for speed and accuracy
- Track delivery stats across three apps to evaluate performance and improve scheduling during peak periods

Personal Courier Services

Self-Employed | Charlotte, NC

February 2018 - February 2020

- Delivered groceries, furniture, and documents across county lines with same-day service guarantees
- Developed scheduling template to manage client pickups and organize multi-stop deliveries more efficiently
- Managed all expenses and taxes as a 1099 contractor, including mileage tracking and vehicle maintenance

Education

High School Diploma

Harding University High | Charlotte, NC | 2016

Certifications

- Self-Employed Driver Safety Training | Roadie Platform | April 2019
- DOT Medical Card | FMCSA-Registered Physician | March 2018
