## Auto Parts Delivery Driver

Seattle, WA 98101  
email@example.com  
(000) 000-0000

### Efficient auto parts delivery driver with solid product knowledge

Auto parts delivery driver with over five years of experience delivering specialized components to automotive shops across the Seattle area. Known for product handling accuracy, timely deliveries, and inventory coordination with warehouse teams. Familiar with handling sensitive mechanical parts and maintaining chain of custody.

### Professional Experience

#### Parts Delivery Driver

NAPA Auto Parts |  
Seattle, WA  
| April 2021 - Present

- Deliver 50–70 parts per day to garages, dealerships, and mechanics, averaging 96% delivery accuracy rate
- Load vans strategically to prevent damage during transit and expedite delivery sequence by shop priority
- Coordinate with dispatchers and inventory teams to confirm urgent parts shipments and verify VIN matches

#### Delivery Driver

RainCity Auto Supply |  
Kent, WA  
| May 2019 - March 2021

- Managed same-day parts delivery to 30+ clients during peak demand periods, ensuring time-sensitive repairs stayed on schedule
- Performed vehicle checks and route logs, helping improve dispatch coordination through real-time feedback
- Helped implement barcode scanning on outgoing shipments to reduce inventory loss by 22%

### Education

#### High School Diploma

Franklin High School | Seattle, WA | 2017

### Certifications

- Forklift Certification | WA Department of Labor & Industries | July 2020
- DOT Medical Card | FMCSA-Registered Physician | April 2021
