## Food Delivery Driver

Denver, CO 80203  
(000) 000-0000

email@example.com

### Punctual food delivery driver with excellent customer satisfaction scores

Food delivery driver with four years of experience completing fast-paced orders for app-based and local restaurants. Skilled in managing multiple deliveries simultaneously, navigating dynamic traffic conditions, and ensuring food quality from pickup to drop-off. Maintains 4.9-star customer rating and consistent tip-based earnings.

---

## Professional Experience

### Delivery Partner

Uber Eats & DoorDash | Denver, CO

July 2021 - Present

- Complete 20–30 deliveries per shift across high-demand neighborhoods while maintaining a 97% on-time delivery record
- Use dual-delivery platform tools to maximize order stacking and efficiency, resulting in 25% more orders per hour
- Communicate with customers regarding order updates, substitutions, and ETA changes to reduce complaint rates by 18%

### Delivery Driver

Flatiron Pizza Kitchen | Denver, CO

June 2020 - June 2021

- Delivered hot food to residential and business locations with a 98% customer satisfaction rate, verified through feedback surveys
- Tracked mileage and delivery times to help the restaurant identify peak-hour bottlenecks and improve prep-to-door timing
- Maintained insulated bags and vehicle cleanliness to ensure food integrity and reduce delivery-related issues
