(555) 890-1234

### Experienced travel nurse with expertise in adapting to diverse clinical environments

Adaptable and resourceful travel nurse with five years of experience working in various health care settings, including ICU, ER, and medical-surgical units. Skilled in rapid onboarding, patient assessments, and cross-functional teamwork.

## PROFESSIONAL EXPERIENCE

### ● Travel Nurse – ICU/ER

National Healthcare Staffing | Denver, CO | July 2020 - Present

- Completed 12-week assignments in critical care and emergency units in six different hospitals
- Manage care for high-acuity patients, ensuring seamless integration into new hospital teams
- Train local nursing staff on best practices learned across multiple health care systems

### ● Staff Registered Nurse – ER

Denver General Hospital | Denver, CO | June 2017 - June 2020

- Provided emergency care for trauma and critically ill patients in a level 1 trauma center
- Collaborated with multidisciplinary teams to stabilize patients and ensure proper treatment plans
- Assisted in implementing a new triage system, reducing patient wait times by 25%
