Data Science Student with Machine Learning and Big Data Experience

Data science student with expertise in machine learning, statistical modeling, and data visualization. Passionate about leveraging data to drive insights and decision-making.

PROFESSIONAL EXPERIENCE

June 2024 - Present

Data Science Intern
XYZ Analytics | City, ST

- Built predictive models to analyze customer behavior, increasing sales by 12%
- Developed interactive dashboards in Tableau to visualize key business metrics
- Cleaned and preprocessed large datasets, improving model accuracy by 18%

September 2023 - May 2024

Research Assistant
University Data Lab | City, ST

- Conducted statistical analysis on survey data, generating insights for faculty research
- Implemented machine learning algorithms to classify datasets with 90% accuracy
- Helped publish research findings on data-driven decision-making

EDUCATION

Candidate: Bachelor of Science in Data Science

University of California, Berkeley | Expected May 2026

KEY SKILLS

Python, R, SQL

Machine learning and predictive modeling

Data visualization (Tableau, Power BI)

Statistical analysis

Big data processing (Hadoop, Spark)
