Responsive web design

UI/UX collaboration

Professional Experience

Full Stack Developer (Front-End Focused)

CreativeLayer Inc., Raleigh, NC | February 2021 - Present

- Led the design and development of a React-based e-learning platform serving over 150,000 registered users
- Created a reusable component library that reduced front-end development time by 40% across teams
- Integrated RESTful APIs with Axios and React Query, improving data fetch efficiency by 35%
- Collaborated with UX designers to implement WCAG-compliant components for full accessibility

UI Engineer

BrightWave Labs, Durham, NC | June 2017 - January 2021

- Built dynamic user dashboards with React, Redux, and Bootstrap
- Developed admin tools using Node.js and Express, handling permissions and data exports
- Refactored legacy jQuery pages to modern React components, reducing load time by 50%

Education

Bachelor of Science (B.S.) in Computer Science

University of North Carolina at Chapel Hill | May 2017
